- Teachers are responsible for using the attached form to complete their proposal and submit by 4:00pm on the deadline. Applications submitted after the due date and time will be considered under the next deadline. Grants will be voted on during the next scheduled monthly APTO General Meeting. Award notices will be delivered to teachers' mailboxes within two (2) business days of the decision. The APTO will include a short feedback form with the funding decision.
- Grant awards must be spent in the same school year they are awarded.

Please note the following when applying:

- Grant applications must be submitted using the 2021-2022 application form. No other format will be accepted.
- Brooke Stidham must sign all grant applications.
- There is no minimum or maximum requirement for the number of students who will be affected by a grant request. The APTO will look at the number of students affected only to determine the cost per student.
