

The logo for STEM NIGHT features the word "STEM" in large, stylized letters. The 'S' is blue with a white molecular structure. The 'T' is green with a white circuit board pattern. The 'E' is yellow with a white gear pattern. The 'M' is red with a white compass and pencil. Below "STEM" is the text "Science • Technology • Engineering • Mathematics" in a smaller font, with each word in a color matching its corresponding letter. Below that is the word "NIGHT" in large, bold, blue capital letters.

Science • Technology • Engineering • Mathematics

NIGHT

Save the Date for Anchor and Beacon STEM Night! Join us Friday, April 17 from 6:00 pm-8:00 pm at Anchor and Beacon Elementary Schools for a free evening of family fun! In addition to hands-on science and math activities, families will enjoy fun and educational demonstrations including:

Dreadbots

University of Michigan Society of Women in Engineering

Ecology Center

Animal artifacts and Zoo Zoom with a zookeeper from the Toledo Zoo

University of Michigan Student Astronomers

Washtenaw County Parks

Space themed display from the Michigan Science Center

Leslie Science Center Animal Show

Alexandria's Nature bus and Animal display from the Howell Nature Center

We hope to see you there!
